Directions to Office

Although you can use any of the popular map websites (mapquest, yahoo maps, google, etc.) to get driving directions to the office, all of them are missing the median crossing at Decker Prairie Road and instruct you to cross Highway 249 at Cripple Creek Drive, which is slightly out of the way. Here's the easiest way to get to the office:

FROM THE NORTH (MAGNOLIA, PINEHURST)

Travel south on FM 1774 to Pinehurst, then follow Highway 249 south to the first light in Decker Prairie, which is Decker Prairie Road. Region's Bank is on your right at the light. Turn right and follow the road for approximately one mile. The office will be on your left at 32931 Decker Prairie Road.

FROM THE SOUTH (TOMBALL, HOUSTON)

From the intersection of FM 2920 and Highway 249 in Tomball, travel north on 249. You will travel over a bridge just past Tomball College. The second light past the bridge (approximately 1.5 miles) is Decker Prairie Road. A Chevron gas station and small strip shopping center will be on your right. Turn left and cross the median to the other side of 249. Go through the light approximately one mile and the office will be on the left at 32931 Decker Prairie Road.

FROM THE EAST (SPRING)

Follow FM 2920 west through Tomball to the intersection of FM 2920 and Highway 249, and then follow the instructions from the south listed above.

FROM THE WEST (WALLER)

Follow FM 2920 east to Tomball and the intersection of FM 2920 and Highway 249, and then follow the instructions from the south listed above.
